PREMIUM FINE ART ALBUMS

Traditional techniques the modern way

Folio Albums' workshop is climate-controlled and has specialist lighting to help maintain our stringent standards of consistency and quality. It's staffed by a talented team who take huge pride in crafting beautiful pieces people will treasure forever.

Although age-old production techniques are used, Folio Albums applies modern lean manufacturing principles. This reduces the distance between each process to improve both efficiency and quality.

Carefully crafted in Britain

Everything produced is handmade to order at Folio Albums' workshop in Yorkshire. The team makes sure each album is truly special – whether you have bespoke requests, want lots of personalisation or just want to be certain you'll get an exceptional finish.

Sustainability

Folio Albums believes they have a great responsibility to minimise their impact on the environment in whatever way they can. Folio Albums continually review how they're working and look for new ways to take as little from mother earth as possible, while giving as much back as they can. Folio Albums products are beautiful and are crafted to last a lifetime, but not at the expense of the environment and its delicate global ecosystem. All materials come from sustainable sources and, wherever possible, they're also 100% recycled.

Cover Options

The album cover gives the first glimpse of the story that lies within. It sets the scene and remains as a backdrop as the album is held and viewed time and time again.

Choose from beautiful cover materials selected for their quality and eco credentials, including vegan-friendly fabrics. Be inspired by the colour of bridesmaid's dresses, flowers or the season itself.

Let your creativity loose and select from a range of traditional and contemporary colours, materials ranging from leather through to 100% cotton fabrics.

Contemporary Leather.

The Contemporary Leather range includes 24 carefully-selected colours. Each shade has unique attributes but all are genuine leather of the finest quality and durability, sourced from manufacturers with strict animal welfare policies.

Essential Cotton.

Essential Cotton is a range of high quality, 100% cotton colours with a natural open weave.

Heritage.

A 100% cotton fabric with a tactile open weave in four natural, two-toned colours. Perfect if you're looking for a more rustic, neutral finish.

Purity.

A vegan-friendly alternative to leather is available in eight beautiful colours carefully selected to complement a wide variety of styles and themes. A PU-based material, it's wonderfully soft with a leather-like feel and is well suited to personalisation.

Silk.

For thousands of years silk has been sourced for its natural quality and beauty. Silk covers are available in a range of vibrant colours that shimmer under the light.

Photo Fabric Cover.

For a completely personal finish why not wrap your book in a photo cover. The high white rayon fabric reproduces colours accurately and the fine weave allows for high clarity printing.

A photo fabric cover gives complete freedom to create a very personal and individual book cover - the only limit here is your imagination.

Vegan Friendly Options.

We choose our beautiful cover materials based on their quality and eco credentials, including these vegan-friendly fabrics from the following ranges: Bold Fabrics, Essential Cottons, Pastel Fabrics, Heritage & Purity. We also focus on the variety of colours to provide ranges that span from traditional to on-trend and from demure to bold.

Cover Personalisation.

Small details mean a lot. For a greater personal touch you can add names, dates, bespoke emblems of initials and more.

Techniques for covers and boxes include time-honoured methods such as debossing, through to modern laser engraving and state-of-the-art printing. And if standard fonts aren't what you're looking for, you can opt for a bespoke option.

Blind Debossing.

Some might call it blind blocking or stamping, but it's all the same magical process. Using traditional methods, letters are pressed into the cover without ink or foil for an elegant, classic presentation that's wonderful to the touch. Blind debossing is mostly available on Contemporary Leather and Purity cover material ranges.

Available fonts: Coronation, Helvetica, Bebas & Prata in uppercase characters only.

Engraving.

Using a laser your text or bespoke motif is engraved in to the cover material. The process works by removing the top layer of the material to reveal the natural hues underneath. Engraving is available on most materials.

Available fonts: Bebas, Bombshell, Century, Century Gothic, Courier, Futura, Gill Sans, Helvetica, Magarella, Melinda, Montserrat, Prata, Times, Trajan and Univers.

Gold & Silver Foiling.

You'll be amazed at just how far foil stamping has come. We use heat to transfer metallic foil to our albums for an eye-catching enhancement. Foil debossing is available on a limited range of materials.

Available fonts: Coronation, Bebas & Prata in uppercase characters only.

Cover Printing.

The latest digital technique in personalisation which involves printing directly on to a material in either black or white ink. Available on most materials.

Available fonts: Bebas, Bombshell, Century, Century Gothic, Courier, Futura, Gill Sans, Helvetica, Magarella, Melinda, Montserrat, Prata, Times, Trajan and Univers.

22 Carat Gold & Palladium Finishing.

There's precious little more to say - sometimes only real gold will do. 22 carat gold personalisation is available on leather & Purity covers. Palladium personalisation adds a luxurious 'silver' finish to your book. Rarer than gold, yet non-tarnishing like silver, palladium has become highly desirable with discerning clients.

Available fonts: Bebas, Bombshell, Century, Century Gothic, Courier, Futura, Gill Sans, Helvetica, Magarella, Melinda, Montserrat, Prata, Times, Trajan and Univers.

Digital Method Personalisation Fonts.

The below fonts are available for the digital methods of personalisation. These methods are: black & white cover printing, engraving, 22 carat gold finishing & palladium finishing.

Please note that some method & cover material combinations may not be suitable for some of the finer fonts.

Endpaper Colours.

Endpapers are used as linings and as the first and last page of each book or album. Wonderful White and Classic Black are by far the most popular but with a choice of an additional thirteen colours why not

tie-in or contrast with your cover or images. Golden Sands, Grey Quartz & Polished Pearl can add an extra shimmer with their pearlescent finish.

Endpaper Foiling.

Add a logo or bespoke motif to an endpaper for a subtle way to further personalise your book. Endpaper foiling is available in either gold or silver foil and can be placed in the bottom right corner of either the first or last endpaper.

Box Ribbon Colours.

Ribbons are available as a box closure option and come in a range of colours to suit each Essential Cotton or Heritage Fabric cover material. Available on: USB Boxes, Prints Boxes and album Clamshell Boxes.
